C. Each member agrees to the arbitration of any and all legal causes of action between themselves and the Association (and any officer, director or employee of the Association in connection with the performance of their duties regarding the Association) as provided in Section 20 below. 4. In the event of any tie vote among the regular members of the Board of Directors, the Chairman of the Board of Directors shall direct further debate and a re-vote. If a tie remains after the re-vote, the Chairman of the Board of Directors shall call for a third vote in which the Chairman of the Board of Directors shall vote in order to break the tie.

Notice of such special meetings of the Board of Directors shall be given pursuant to such policies and procedures as may be adopted by the Board of Directors.

3. Except as otherwise directed by the Board of Directors, meetings may be conducted by or through the use of any means of communication, if all participating directors may simultaneously hear each other during the meeting
(such as a conference call), or communication during the meeting is immediately transmitted to each participating
director and each participating director is able to immediately send messages to all other participating directors
(such as by facsimile or e-mail). Meetings conducted by either method shall include notifying each participating
director that an official meeting is taking place, and verifying the identity of the persons participating by their
acknowledgment by voice or written transmission of their name and presence before the vote.

A quorum for meetings of the Board of Directors and all committees shall be a majority of the voting members.

E. Committees

Committees may be established from time to time by the Board of Directors. Each committee shall have a
chairman, appointed by the Chairman of the Board of Directors, who shall be responsible to the Board of Directors
for directing and coordinating the affairs of the committee. Members of these committees shall be selected by the
committee chairman, subject to the approval of the Board of Directors. Committee members will be appointed
annually. A vacancy that occurs on any committee by reason of resignation, death, or otherwise may be filled by an
individual selected by the remaining members of the committee for the unexpired term, subject to the approval of
the Board of Directors.

F. Executive Committee

1. Between meetings of the Board of Directors, an Executive Committee, consisting of the Chairman, Vice
Chairman, Secretary/Treasurer, and two directors appointed by the Chairman of the Board (the “at-large”
Executive Committee members), shall carry out the duties of the Board of Directors, with its authority for the
management of the business of the Association. As set forth in Section 11, Paragraph B, the President of the
Association shall be an ex-officio (non-voting) member of the Executive Committee. The Executive Committee shall
meet regularly and be responsible for the interpretation of policies and expenditures within the Board of Directors’
approved budget for the Association, but shall not exceed the limits set by Board of Directors’ policy from time to
time. Except pursuant to policies otherwise adopted by the Board of Directors and otherwise allowed by law, all
actions of the Executive Committee shall be reviewed and approved, modified or rescinded by the Board of
Directors at its next regular meeting. The Board of Directors shall have the authority to adopt such other policies
and procedures as it deems necessary relating to the operation of the Executive Committee.

2. The Chairman shall have the authority to appoint the at-large Executive Committee members. The at-large
Executive Committee members shall serve for a one-year term (which may be renewed by the Chairman at the end
of each term for an additional one-year term).

3. The Board of Directors may vote to remove any at-large member from the Executive Committee at any time by
majority vote. The at-large member who is the subject of the vote shall not be precluded from voting on the

an at-large member of the Executive Committee.

G. Minutes

Minutes of the meetings of the Board of Directors and committees of the Board of Directors shall be kept on file at
the office of the Association and may be inspected by any voting member of the Association. The approved minutes
of the meetings of the Board of Directors shall be published following each meeting on the Association’s website.
The published minutes shall not include matters regarding personnel issues, legal matters, or matters which the
Board of Directors determines, in its discretion, shall not be publicly available.
SECTION 9. ELECTIONS/TERMS OF OFFICE

A. Elections

All voting members in good standing shall be eligible to be elected to the Board of Directors. Three (3) directors shall be elected annually unless vacancies are to be filled. The Nominating Committee shall determine the number and designation, if any, of the terms expiring, and whether a Canadian and/or a United States resident must be elected to comply with the requirements of Section 8, Paragraph A (1) of the Bylaws.

B. Nominations

1. A Nominating Committee shall be established annually. It shall have no less than five (5) members and no more than seven (7) members. The purpose of the Nominating Committee shall be to seek, evaluate and recommend a slate of qualified director candidates to the voting membership for the annual election of directors. It shall be chaired by a member of the Board of Directors not eligible for re-election appointed by the Chairman of the Board of Directors, and shall include two former directors of the Association, at least one of whom shall have served as an officer of the Association, and at least two at-large members who are not currently on the Board of Directors. The Chairman of the Board of Directors and the Chairman of the Nominating Committee shall propose to the Board of Directors the individuals to serve on the Nominating Committee, and such members shall be deemed to be approved by the Board of Directors absent the rejection of one or more members by a sixty (60) percent vote of the Board of Directors. If the Board of Directors rejects a nominee for membership on the Nominating Committee, the Board of Directors shall appoint a replacement by majority vote.

2. A prospective candidate must be the designated voting representative for an organization that is a member in good standing of the Association. Prospective candidates must also commit to being in attendance at the Annual Convention and the Annual Meeting.

3. (a) No less than one-hundred (100) days prior to the Annual Meeting the Nominating Committee shall present to the Board of Directors its list of proposed nominees, and such members shall be deemed to be approved by the Board of Directors absent the rejection of one or more members by a sixty (60) percent vote of the Board of Directors. If the Board of Directors rejects a nominee, the Board of Directors shall appoint a replacement by majority vote. No less than ninety (90) days prior to the Annual Meeting, the Association shall publish on its website the Nominating Committee’s proposed slate of candidates.

(b) Any designated voting representative for an organization that is a member in good standing of the Association (hereinafter referred to as the "petition candidate") may seek to have his/her name added to the ballot, by presenting to the President of the Association the signatures of twenty (20) members petitioning that the petition candidate’s name be included on the ballot. The Board of Directors shall adopt procedures to allow such petitions to be prepared and submitted by electronic transmission. The petition candidate must submit the twenty (20) signatures at least fifty (50) days prior to the Annual Meeting. Any dispute as to whether an individual's name shall be included on the ballot shall be exclusively resolved by a committee comprised of the immediate past Chairman of the Board of Directors, the current Chairman of the Board of Directors and the Chairman of the Nominating Committee (the "Review Committee"). Upon verification by the President that petition candidates are in good standing, have provided the requisite number of signatures, and have been approved for inclusion on the ballot by the Review Committee in the event of a dispute, the President shall publish on the Association’s website the names of the additional petition candidates no less than forty (40) days before the Annual Meeting.

(c) The Board of Directors shall have the authority to waive or modify the timelines set forth in this Section as to any particular election to the extent it deems necessary to ensure that the election process is fair to the membership as a whole.
4. The Board of Directors shall adopt policies and procedures to ensure that information about any candidate whose name appears on the ballot is reasonably available to the entire membership and that all candidates have a fair opportunity to present to the membership their qualifications for office.

5. (a) The Nominating Committee shall prepare a ballot containing the names of all qualified candidates and distribute it by mail or by electronic means to all voting members and/or the voting members present at the Annual Meeting or at a Board of Directors approved voting location during the Annual Convention. The Nominating Committee shall indicate its recommendations on the ballot, provided the names of all qualified candidates appear and are printed in the same type-face and type-size.

(b) The Board of Directors shall adopt such procedures and guidelines as it deems appropriate relating to actual casting of ballots, including, but not limited to, allowing voting by electronic transmission or requiring that written ballots be voted on at the Annual Meeting. The procedures to be used for any election shall be published on the Association’s website no less than forty (40) days before the Annual Meeting.

(c) The Board of Directors shall adopt such procedures and guidelines as it deems appropriate to ensure that only the authorized individual of any corporate membership is the person actually casting the ballot.

C. Procedure for Determining Election

The ballot shall designate candidates for the Board of Directors as being within one or more of the following categories: event organizer, performer, service provider or other. The top two vote getters in each category (except “other”) shall be elected to the Board of Directors. The remaining candidates shall then be ranked from the highest vote getter to the lowest (the “at-large list”) and the top three candidates on such list shall be deemed elected to the Board of Directors. The foregoing notwithstanding, if none of the elected candidates is from Canada, then the Canadian candidate (if any) with the highest vote total shall be deemed elected to the Board of Directors in lieu of the candidate on the at-large list with the third highest vote total. Similarly, if none of the elected candidates is from the United States, then the American candidate (if any) with the highest vote total shall be deemed elected to the Board of Directors in lieu of the candidate on the at-large list with the third highest vote total. The Board of Directors shall have the authority to modify these procedures to carry out the intent of this Section should vacancies on the Board of Directors create more openings than otherwise would be filled in a standard election.

D. Terms of Office

Each director shall be elected to a three (3) year term, unless filling a vacancy or during a transitional period. The Board of Directors shall adopt a policy providing for shorter terms covering any transitional period. No director may serve more than two (2) consecutive terms on the Board of Directors except when, at the time of the election, the director serving as Chairman is in his/her last year of a second three-year term, has only served one year as Chairman, and is willing to serve a second year as Chairman if re-elected to the Board of Directors. In that event, the Chairman may be re-elected to the Board of Directors for a one-year term to complete his/her two-year term as Chairman.

E. Vacant Office/Unexpired Term

In the event any director or officer is unwilling, unable or ineligible to serve or complete his/her term of office, leaving an unexpired term of office, the Board of Directors may, by a Board of Directors’ resolution, appoint a successor to serve until the next Annual Meeting or the expiration of the original term of office, whichever shall come first. If any portion of the term of said office remains at the time of the Annual Meeting, a general election shall be held for the purpose of filling the remaining unexpired portion of said term of office only. The position shall be filled by the individual having the greatest number of votes after all three (3) year Board of Directors
positions have been filled. For purposes of determining the number of terms a person may serve as a director or officer, a partial term to fill a vacancy -- by appointment or election of less than 19 months as a director, or less than 7 months as an officer -- shall not be counted as a term held.

SECTION 10. OFFICERS

C. All Regions must incorporate the mission and purpose of the Association, and may not adopt goals or provisions inconsistent with the well-being of the Association as determined by the Board of Directors.

D. The Board of Directors may revoke any Region affiliation for legal cause, for not following the guidelines and provisions established by the Board of Directors, or for engaging in activities detrimental to the Association or the mission and purpose of the Association.

E. No Region shall have authority to speak for, or on behalf of, the Association, or to bind or obligate the Association in any way.

F. The Board of Directors may decide from time to time to have the Association provide benefits and services to the Regions to assist them in carrying out their purposes.

G. Existing approved Affiliated Chapters shall automatically become Regions under this Section.

H. The ICAS Regional Council is hereby established. The purpose of the Council is to address matters of regional importance. The Regional Council shall be comprised of one (1) representative from each recognized and approved Region under this Section. Each Region shall determine the manner of selection of the representative. The Council shall elect a Chairperson from the representatives to the Council and that Chairperson shall become the Regional Director on the ICAS Board of Directors in accordance with Section 8, Paragraph A (2) of these Bylaws.

SECTION 13. LIABILITIES AND INDEMNIFICATION

A. General Non-liability

Nothing herein shall constitute members of the Association as partners for any purpose. No member, officer, agent or employee shall be liable for the acts or failure to act of any other member, officer, agent or employee of the Association, or for the obligations of the Association itself.

B. Protection of Volunteers, Directors and Officers

A volunteer, director and/or officer shall not be personally liable to the Association, its members or creditors, or to any person for damages, settlements, fees, fines, penalties or other monetary liabilities arising from any act or omission as a volunteer, or a breach of or failure to perform any duty resulting solely from his/her status as a director, officer or employee, except as otherwise provided by statute.

C. Indemnification

1. The Association shall indemnify any covered person who is or was a party, or is threatened to be made a party, to any covered proceeding to the extent permitted by law and within the provisions of this Article, or as may be required by law if greater than permitted under these Bylaws.

2. Persons covered by this indemnification provision are directors, officers, employees or agents of the Association, or persons who are or were serving at the request of the Association as a director, officer, partner, trustee, member of any governing or decision-making committee, employee or agent of another Association, partnership, joint venture, trust, employee benefit plan or other enterprise, if:

   (a) the person’s act or failure to act was in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Association or its members,

   (b) with respect to any criminal action or proceeding, the person had reasonable cause to believe his/her conduct was lawful or had no reasonable cause to believe the conduct was unlawful,
(c) the transaction was not one from which the person derived an improper personal profit,

(d) in a matter in which the person had a material conflict of interest, the person did not engage in a willful failure to deal fairly with the Association or its members, and

(e) the person did not engage in willful misconduct.

3. The proceedings covered by this Section are any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, if the proceeding involves the person due to the person's relationship with the Association.

4. The coverage under this Section includes indemnification against liability, expenses (including attorney's fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred in connection with such action, suit or proceedings. In the event insurance coverage is available to protect the person, this indemnification shall only be for amounts in excess of the amounts covered by such insurance.

5. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere, shall not, of itself, create a presumption that the person is not covered. Such facts may be considered, however, in making that determination.

6. No indemnification shall be made if the person was adjudged to be liable for criminal and/or willful misconduct in the performance of an important and material duty to the Association, unless the court determining such liability determines that, despite the adjudication of liability, under the circumstances the person is fairly and reasonably entitled to indemnity for such expenses which the court shall determine proper.

7. Expenses incurred may be paid by the Association in advance of the final disposition of the proceeding, when approved as required by law and upon receipt of an undertaking by or on behalf of the person to repay such amount, unless it is ultimately determined that the person is entitled to be indemnified by the Association.

8. Except as provided in Section 13, Paragraph C (6) above, the right of a person to indemnification shall be determined by the Board of Directors under a procedure it shall adopt for the particular determination. The Board of Directors may adopt any of the methods which are provided by statute for use by an officer or director.

SECTION 14. FUNDS

A. Finances

The Association shall be operated as a non-profit organization, and shall use its funds only for objects and purposes specified in the Articles of Incorporation and in these Bylaws.

B. Bonding

Persons entrusted with the handling of Association funds may be required at the direction of the Board of Directors to furnish (at corporate expense) a suitable fidelity bond.

SECTION 15. INSIGNIA

A. Intangible Property Rights

The Board of Directors may adopt such insignia, copyrights, trade names, trademarks, service marks, colors, badges and flags (collectively referred to in these Bylaws as "marks") for the Association as it deems desirable.

B. Board of Directors' Authority
The use of the Association's name and all marks shall be under the exclusive control of the Board of Directors. The Board may permit members and others to use the name and marks, on such terms and conditions as the Board of Directors deems appropriate. Any authorization by the Board of Directors to any other person or member to use the Association's name or marks may be revoked at any time.

C. Member Acknowledgment

Each member recognizes that the use of the Association's name and marks constitutes a valuable property right, and agrees to refrain from any use that is not authorized by the Board of Directors by its policies or specific approval, and further agrees not to attempt to use or knowingly permit the use of the name and marks by any person or entity whose use is not authorized by the Board of Directors. Any unauthorized use shall be brought to the attention of the Board of Directors promptly. Each member agrees to cease use of any materials, signs, or equipment bearing the Association's name or marks at any time when the member is no longer eligible to use them.

D. Liability of Association

The Association is not liable for any use or misuse of the insignia by members or non-members.

SECTION 16. DISSOLUTION

The Association may be dissolved by the vote of a two-thirds (2/3) majority of its voting members present in person. In the event that this Association should be dissolved or should cease to operate, all of the assets of this Association, after payment or provision for payment of all debts and liabilities, shall be distributed pursuant to direction of the Board of Directors to a non-profit organization organized as such under the laws of appropriate jurisdiction and qualified under the Federal Internal Revenue Code as either a Section 501 (c)(3) or a 501 (c)(6) organization or a duly authorized tax-exempt organization in a foreign jurisdiction.

SECTION 17. AMENDMENTS

A. These Bylaws may be amended, repealed, or altered, in whole or in part, by a majority vote of the voting membership in attendance at any duly organized meeting of the Association or by such other processes and procedures (including electronic transmission) as the Board of Directors may adopt from time to time. Amendments may be proposed by the Chairman of the Board of Directors, or by a majority vote of the Board of Directors. In addition, members may propose an amendment pursuant to subsection (B) below.

B. Members may propose a Bylaw amendment(s) by informing the Secretary in writing (including electronic transmission) of their proposed amendment at least sixty (60) days prior to the meeting at which the vote is desired. Each amendment request must contain the supporting signatures of a minimum of twenty (20) voting members of the Association. The Board of Directors shall have the authority to adopt procedures allowing the supporting signatures to be delivered by electronic means.

C. The Board of Directors shall indicate its position on any amendment proposed to the membership.

D. Procedures for voting on proposed amendments shall be adopted by the Board of Directors and may include voting by electronic transmission.

E. The foregoing notwithstanding, the Board of Directors may adopt amendments to these Bylaws by a two-thirds (2/3) affirmative vote of the Board of Directors. In the event the Board of Directors adopts an amendment through such means, the Board of Directors shall immediately notify the membership of such amendment by electronic transmission.
SECTION 18. RETROACTIVE RATIFICATION OF BOARD OF DIRECTORS' ACTIONS

Adoption of these Bylaws by the membership of the Association shall automatically and expressly ratify all prior actions taken on behalf of the Association by vote of the Board of Directors at any prior Board of Directors meeting.

SECTION 19. NON-DISCRIMINATION

The Association accepts individuals of any race, sex, or national and ethnic origin for all the rights, privileges, obligations and activities generally accorded or made available to individuals in the various programs, and shall not discriminate in the administration of its policies.

SECTION 20. DISPUTE RESOLUTION

All disputes between and among the Association, its members, directors and officers relating to the management of the Association and the application of these Bylaws shall be resolved exclusively by arbitration in Washington, DC, according to the rules of the American Arbitration Association then in effect. The arbitrator may award attorney’s fees and costs to the prevailing party in such arbitration.
